RULES AND GUIDELINES SUMMARY

The 2026 Bundaberg Festival of Dance Competition is organised by the Bundaberg Combined Ballet Association Incorporated (BCBA).

It is your responsibility to read our competition rules and information which do change from time to time. A current, full list of the rules and conditions are available to download from our website.

BCBA representatives (including Backstage Marshalls) have the authority to remove unauthorised persons from the stage or backstage area.

Props are to come in and out via the double doors of the back stairway entry. Please do not bring props through the foyer. Props are to be stored in the dedicated prop room and must not be left in dressing rooms or obstruct any exit routes or hallways. The loading dock will be opened before and after each session to allow bump in and out. Props must be placed on/off stage in the shortest possible time and relocated back into the prop room immediately after use.

All places will be announced at the end of each session, with awards able to be collected onstage. Adjudication Reports will be in the form of audio critiques, and these will be sent to your Music Uploads folder at the end of each day.

Filming and/or photography is not permitted in the theatre.

Audience members must remain seated and maintain silence during performances and adjudication. Parents and/or friends are not permitted to remain with competitors side stage. Backstage personnel, members of the BCBA Committee, volunteers, and Shalom staff have the right to remove anyone in breach of this rule.

There is to be no food or drink taken into the auditorium, backstage or dressing rooms. This rule will be actively enforced.

Respect must be shown to each other and to the venue; please leave all dressing rooms clean and tidy.

PLEASE NOTE:

- Dressing rooms will open 30 minutes before the Morning Session.
- Only one support person (i.e. parent) is permitted in the backstage area per competitor.
- There is to be no loitering in the backstage area.
- Strictly no photos or videos are to be taken in the dressing rooms.
- Please be clean, tidy and respectful of all who are backstage.
- Maintain adequate social distancing and be aware of personal hygiene.

Frequently Asked Questions

When should my dancer be ready backstage?

- Please aim to sign-in with our Backstage Team a minimum of 1 hour before you anticipate your first performance to be, except for the beginning of the Morning Session when dressing rooms will be open from 8:00am.
- Your dancer must be ready backstage at least 10 routines before their performance to allow for any unexpected withdrawals and may head to the side-stage area approximately 5 routines before their performance.
- Performers will be able to know what act we are up to by following the link on our Facebook page.
- BCBA holds no liability for dancers that are late and/or miss their performances. If you are concerned your dancer may not be ready in time, please communicate this with us as soon as possible so that we can try to come up with a plan together.

Does my dancer need to wear their Competitor Pass wristband all the time?

- Yes, the Competitor Pass band must be always worn throughout the competition period, including while performing on stage.
- The bands are highly durable and will withstand performances, personal hygiene practices, and they do not wear and tear easily. You may choose to cover them in foundation for a more discrete appearance.
- The bands grant your dancer access to the backstage area, side stage area and auditorium. No wristband on wrist = no entry.
- Wristbands will not be given out unfastened – a BCBA staff member will secure the band upon sign-in and will only replace a damaged wristband if the original can be returned in exchange.

Does my dancer need to wear tights with their costume?

- If the costume does not have a clearly defined leg sewn into the bottoms, then yes, your dancer must wear tights if they wish to perform. Please refer to our Competition Rules for a visual representation of what is expected

What if something goes wrong with the music?

- Firstly, it is very important that you have double- and triple-checked that you have uploaded the correct music into MusicUploads. BCBA holds no liability where the incorrect music has been uploaded.
- If the Sound Technician accidentally plays the incorrect music, we will quickly seek to find a resolution:
 - If it is a minor error with a simple solution, your dancer/s may take the stage again straight away if they are ready to do so.
 - If it is a major error with a complicated solution, we will endeavour to communicate this with you and we will do our best come up with a suitable plan together.

I need support, or I have a concern:

- Please forward all queries or concerns to the BCBA Committee in writing to bundabergdance@outlook.com or speak to a member of the Committee on-site if it is something particularly time sensitive. Please do not use social media at this time, as it will only be sporadically monitored throughout the competition, and we may not see your message in time.

Other important points:

- Dancers, dance families, teachers and studio owners are responsible for managing their own First Aid. BCBA is only able to provide support in the case of an emergency.
- BCBA is not liable for any lost, damaged, or stolen property, but we will do our best to assist you where possible.
- We ask that only one support person is backstage and in the dressing rooms per dancer – we do not have the space to accommodate families, siblings, and friends in these areas. If your dancer is not dancing in the session, please do not loiter in the dressing rooms or backstage.
